Address

103 Avenue du Belvédère
93310 Le Pré St-Gervais, France

Education

Engineering degree
Université Technologique de Compiègne, France
Expected Date of Graduation: September, 2013

Experience

Institut de recherche et d'Innovation (Centre Georges Pompidou)
Assistant Engineer 09/2011 - 02/2012

Conceived and implemented from the ground up a modular video player for the web. Everything was written in Javascript.
An example use can be seen here.

Studec S.A

Summer Programming Intern 07/2008 - 08/2008

Worked on a documentation management J2EE application.
I mostly helped with bug fixes and with the correction of various defects.

Computer Skills
